

**MONTapp.com**  
**Privacy Statement version 1.0**

If you visit our site to read or download information on our pages, we collect and store only the following information about you:

1. The name of the domain from which you access the Internet
2. The date and time you access our site
3. The Internet address of the website you used to link directly to our site.

If you identify yourself by sending us an e-mail containing personal information, then the information collected will be solely used to respond to your message.

The information collected is for statistical purposes. MONTapp BV may use software programs to create summary statistics, which are used for such purposes as assessing the number of visitors to the different sections of our site, what information is of most and least interest, determining technical design specifications, and identifying system performance or problem areas.

For site security purposes and to ensure that this service remains available to all users, MONTapp BV uses software programs to monitor network traffic to identify unauthorized attempts to upload or change information, or otherwise cause damage.

MONTapp BV will not obtain personally-identifying information about you when you visit our site, unless you choose to provide such information to us, nor will such information be sold or otherwise transferred to unaffiliated third parties without the approval of the user at the time of collection.

MONTapp BV will collect and store user-generated data related to the members of a school's community. This may include private data such as names, addresses, phone numbers, email addresses, date of birth, academic records, photos, etc. This user-generated data is stored securely on our servers, using standard security protocols to protect privacy, and is only made available to authorized users at your school. MONTapp BV will never make customer or end user data available to any unauthorized third-party, unless required by state laws or compelled by a court order.

Amendments to this privacy policy may be made at any time, at which point customers will be notified via email or posting in MONTapp.com. Customers shall have the right to opt out of any use of their personal information which is inconsistent with or beyond the scope of the purposes for which it was initially collected. In the event that, at MONTapp's discretion, service cannot be continued without customer acceptance of such modifications to the ways in which personal information is collected and/or used, customers who wish to opt out of such collection or use of their personal information will be notified and offered a pro-rated refund of any positive balance on their account with MONTapp.com

If you have any questions regarding this privacy policy, please email support at [support@montapp.com](mailto:support@montapp.com).
